

Timber Harvesting Plans

These plans are current as of 6/30/2022 10:47:00 AM

The THP information found at this site was taken from Timber Harvesting Plans that have been submitted to CAL FIRE. It is meant to familiarize users with the THP process, and provide general information on THPs being processed this year. Every attempt will be made to update the information daily, however, the information should not be relied upon without checking the actual THP document that was submitted to CAL FIRE. In the event of any discrepancy, the information in the actual THP documents submitted to CAL FIRE will take precedence.
